Was du beachten solltest:

Bitte lese alle Informationen sorgfältig durch, bevor du beginnst mit deiner SCHATTENMANUFAKTUR® zu arbeiten.

- Die SCHATTENMANUFAKTUR® bedarf einer Montage vor der Nutzung. ACHTUNG: Bitte beachte und befolge unbedingt sorgfältig die Sicherheitshinweise und Aufbauanweisungen, um das Risiko von Verletzungen oder Beschädigungen am Produkt zu vermeiden. Missachtung der Sicherheitshinweise sowie der Aufbauanleitung können zu Personen- und Sachschäden führen, für die wir weder Haftung noch Gewährleistung übernehmen!
- Es dürfen keinerlei Veränderungen, An- oder Umbauten an der SCHATTENMANUFAKTUR® vorgenommen werden. Durch unsachgemäße Reparaturen und bauliche Veränderungen (Demontage von Originalteilen, Anbau von nicht vorgeschriebenen Teilen, usw.) können Gefahren für den Benutzer entstehen.
- Montiere deine SCHATTENMANUFAKTUR® auf einem sauberen und ebenen Untergrund. Die Pergola soll der Umgebung entsprechend fest und sicher im Boden verankert werden. Nutze große Gehwegplatten oder bereite ein Betonfundament vor um die Pergola fest mit dem Boden zu verankern.
- Platziere deine SCHATTENMANUFAKTUR® an einem windgeschützten Standort, frei von darüber hängenden Bäumen oder Strommasten.
- Die Pergola bietet keinen Blitzschutz! Bei Gewitter/Unwetter musst du sofort eine sichere Umgebung aufsuchen.
- Kein Zusammenbau/ Verbinden von mehreren Pergolen.
- Halte mindestens 3 Meter Abstand zwischen mehreren aufgestellten Pergolen.
- Packe alle Teile deines Produktes vorsichtig aus und lege das Verpackungsmaterial sicher zur Seite.
- Bei Folien/Kunststofftüten besteht bei Kindern Erstickungsgefahr.
- Halte Packbänder außer Reichweite von Kindern. Es besteht Strangulationsgefahr.
- Prüfe vor der Montage die Teile auf Vollständigkeit und Unversehrtheit.
- Hole dir Hilfe von Freunden. Der Aufbau deiner SCHATTENMANUFAKTUR® sollte von mind. drei Erwachsenen durchgeführt werden.
- Achte darauf, dass sich keine Kinder während des Aufbaus in der Nähe befinden.
- Trage zum Schutz deiner Hände geeignete Arbeitshandschuhe.
- Leiter und Werkzeuge sollen nur als Hilfestellung dienen. Stelle sicher, dass du mit diesen vertraut bist und achte unbedingt auf die richtige Handhabung. Sorge für eine gefahrenfreie Arbeitsumgebung, lasse z. B. kein Werkzeug herumliegen.
- Achte während der gesamten Montage, insbesondere beim Heben schwerer oder langer Teile darauf, dass du dich oder andere nicht verletzt.
- Achte während des Aufbaus auf Scher- und Quetschstellen.
- Verschraube alle Verbindungen zuerst nur leicht. Prüfe deine SCHATTENMANUFAKTUR® auf geraden Stand und drücke sie gegebenenfalls zurecht. Ziehe anschließend alle Schrauben fest.

What you should pay attention to:

Please read all information carefully before you start to work with your SCHATTENMANUFAKTUR®.

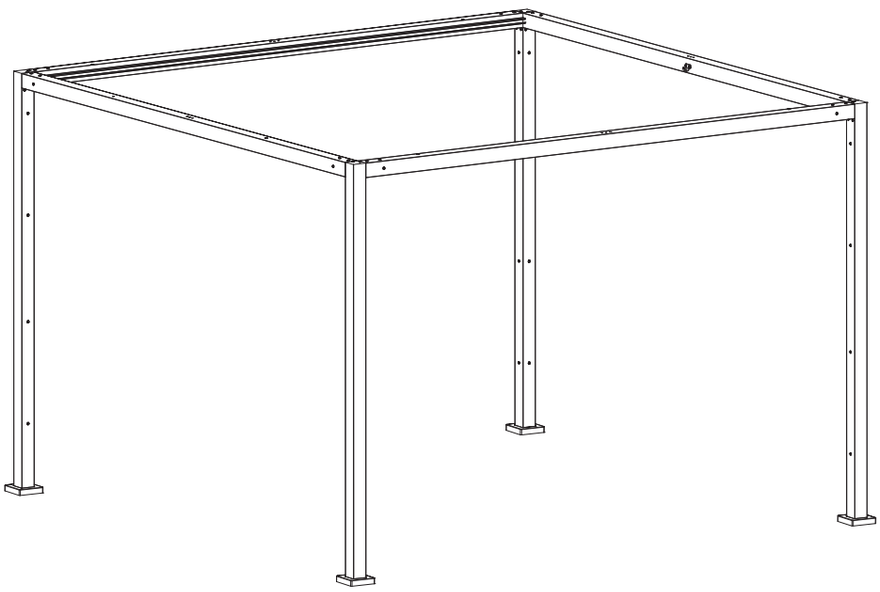

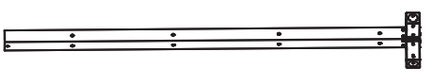

- Pergola requires assembly before use.
  ATTENTION: Please pay attention and follow the safety instructions carefully to reduce the risk of injury or damage of the product during assembly. Disregard of the safety instructions and the assembly instruction can lead to personal injury and property damage. We assume neither liability nor Guarantee!
- No changes, additions or modifications to the Pergola are allowed.
  Improper repairs and structural changes can cause risk to the user (Dismantling of original parts, installation of non-prescribed parts, etc.)
- Mount your Pergola on a clean and level surface.
  The pergola should be anchored firmly and securely in the ground. Use large paving slabs or prepare a concrete foundation to secure that the pergola is anchored in the ground.
- Place your Pergola in a sheltered location, free from trees or power poles.
- The Pergola does not offer lightning protection! In the event of a thunderstorm, you should go immediately to a safe surrounding area.
- No assembly / connection of several pergolas.
- Keep at least 3 meters apart between several pergolas.
- Unpack all parts carefully and put the packaging material safely to the side.
- Foils/plastic bags pose a risk of suffocation for children.
- Keep packing tape out of the reach of children. There is a risk of strangulation.
- Check the parts for completeness and intactness before assembly.
- Get help from friends. The assembly of your Pergola should be done by at least three adults.
- Make sure that there are no children around during assembly.
- Wear suitable work gloves to protect your hands.
- Ladder and Tools are only intended to be used as an aid. Make sure that you are familiar with these and use them correctly. Ensure a safe working environment.
- During the entire assembly process, make sure that you do not injure yourself or others.
- Please pay attention to shearing and crushing points during assembly.
- First tighten the connections slightly. Check that your Pergola is standing straight and, if necessary, press it into place. Then tighten all screws.

Nutzungs- und Sicherheitshinweise:

WICHTIG, FÜR SPÄTERE BERZUGNAHME AUFBEWAHREN: SORGFÄLTIG LESEN.

- Deine SCHATTENMANUFAKTUR® darf nur für ihren Zweck als Außenmöbel im Wohnbereich verwendet werden.
- Lasse die SCHATTENMANUFAKTUR® nicht unbeaufsichtigt, da starke Windböen unter Umständen Schäden verursachen könnten. Bei zu erwartenden Windgeschwindigkeiten größer als 40 km/h (frischer Wind, größere Zweige und Bäume bewegen sich und Wind ist deutlich hörbar) empfehlen wir den Abbau des Pavillons.
- Benutze deine SCHATTENMANUFAKTUR® nur für die vorgesehene Funktion, um Beschädigungen vorzubeugen.
- Benutze deine SCHATTENMANUFAKTUR® nicht, wenn du Zweifel an der Gebrauchstauglichkeit hast.
- Tausche ggf. beschädigte Bauteile aus. Verwende im Bedarfsfall nur Original-Ersatzteile.
- Klettere oder hänge dich zu deiner eigenen Sicherheit nicht an deine/r SCHATTENMANUFAKTUR®.
- Hänge keine Gegenstände an/in die SCHATTENMANUFAKTUR®.
- Das Dach und die Vorhänge sind aus Polyester. Das verwendete Gewebe ist bedingt wasserdicht. An den Nähten entsteht durch das Vernähen eine Perforation. Um die Nähte ebenfalls abzudichten empfehlen wir, diese mit Nahtdichter zu bestreichen.
- Die SCHATTENMANUFAKTUR® ist als Schattenspender gedacht. Ein Schutz vor Regen und Schnee ist nur bedingt gegeben.
- Durch starke Regenschauen können sich Wassersäcke im Dachbereich bilden. Das angesammelte Wasser ist schnellstmöglich zu entfernen, damit das Dach nicht reißen kann und keine Verformungen des Gestells entstehen.
- Überprüfe regelmäßig die Schrauben auf Festigkeit.
- Solltest du irgendeinen Teil dieser Sicherheitshinweise nicht verstehen oder Fragen haben, setze dich mit deinem Händler in Verbindung.
- Änderungen im Zuge des technischen Fortschritts bleiben vorbehalten.
- Stelle sicher, dass Ausgänge stets freigehalten werden.
- Stelle sicher, dass deine SCHATTENMANUFAKTUR® jederzeit ausreichend belüftet wird.
- Aus Sicherheitsgründen bitte 2 der 4 Seiten vollständig geöffnet lassen.

KINDER:

- Lasse Kinder niemals unbeaufsichtigt mit deiner SCHATTENMANUFAKTUR® alleine. Die Pergola ist kein Kletter- oder Spielgerät.
- Schnüre und Ketten mit Schlaufen müssen immer außer Reichweite von kleinen Kindern gehalten werden, es besteht Strangulationsgefahr!
- Deine SCHATTENMANUFAKTUR® darf nur von erwachsenen Personen verstellt werden.

BRANDGEFAHR:

- Bitte achte darauf, dass kein offenes Feuer oder sonstige Hitze erzeugenden Geräte unterhalb oder in der Nähe der SCHATTENMANUFAKTUR® entfacht werden.
- Niemals Grillgeräte (Gas, Kohle, elektrisch) oder Heizgeräte (Gas, Infrarot) unter deiner SCHATTENMANUFAKTUR® oder in der Nähe deiner SCHATTENMANUFAKTUR® benutzen. Sie kann durch Funkenflug beschädigt werden.

General information and safety notes:

IMPORTANT TO KEEP FOR FUTURE REFERENCE: READ CAREFULLY.

- Your pergola may only be used as outdoor furniture for domestic use.
- Do not leave the pergola unattended as strong gusts of wind could cause damages. Dismantling the gazebo when wind speeds of more than 40 km/h are anticipated (brisk wind, large branches and trees moving, and the wind is plainly audible)
- Use your pergola only for the intended use to avoid damages.
- Do not use your pergola if you have doubts about the usability.
- If necessary, replace damaged components and use only original spare parts.
- For your own safety, do not climb or hang on to your pergola.
- Do not hang any objects on / in the pergola.
- Roof and curtains are made of polyester. The fabric used is conditional waterproof. The sewing creates a perforation at the seams. We recommend that you coat these with a seam sealer as well.
- The pergola is intended to provide shade. A protection against rain and snow is only conditionally given.
- Heavy rain can form water pockets in the roof area. Water pockets must be emptied as they form! The roof might tear and the frame might deform.
- Check regularly the tightening of screws.
- Should you not understand any part of this safety information or should you have any questions, please contact your dealer.
- We reserve the right for technical changes.
- Make sure that exits are always kept clear.
- Make sure that the pergola is adequately ventilated at all times.
- For safety reasons, please leave 2 of the 4 sides fully open.

CHILDREN:

- Never leave children unsupervised with your pergola. The pergola is not a climbing or play device.
- Cords and chains with loops must always be kept out of the reach of small children, there is a risk of strangulation!
- The pergola may only be adjusted by adults.

RISK OF FIRE:

- Please make sure that no open flames or other heat-generating devices are lit below or near the pergola.
- Never use barbecues (gas, charcoal, electric) or heating devices (gas, infrared) under or near your pergola. Your pergola can be damaged by flying sparks.

Wie du deine Schattenmanufaktur pflegen kannst:

- Pflege das Gestell deiner SCHATTENMANUFAKTUR® mit einem milden, neutralen Reiniger und einem Tuch.
- Achte darauf, dass du Laub und tierische Exkremente sofort von der SCHATTENMANUFAKTUR® entfernst.
- Bewegliche Teile der SCHATTENMANUFAKTUR® sollten hin und wieder mit Öl behandelt werden.
- UV-Strahlen können das Material leicht ausbleichen lassen. Dies beeinflusst jedoch nicht die Lebensdauer.
- Wir empfehlen, deine SCHATTENMANUFAKTUR® in der Wintersaison und bei Nichtgebrauch ins Trockene zu stellen.
- Zusätzliche Pflegetipps und Materialkunde findest du auf unserer Webseite: WWW.SIENAGARDEN.DE/PFLEGETIPPS
- Zubehör findest du unter: WWW.SIENAGARDEN.DE/GARTENMOEBEL/SCHUTZ-PFLEGE

How to take care of your Pergola:

- Clean the frame of your pergola with a neutral, mild detergent and a cloth.
- Make sure that you remove leaves and animal excrement from the pergola immediately.
- Apply occasionally oil on the moving parts and hinges.
- UV-rays can easily fade the material. However, this does not affect the service life.
- We advise to store your pergola in a dry area during the winter season and when not in use.
- You can find more information about maintenance and materials on our website: WWW.SIENAGARDEN.DE/PFLEGETIPPS
- You can find suitable accessories on our website: WWW.SIENAGARDEN.DE/GARTENMOEBEL/SCHUTZ-PFLEGE
